NEW LOW PRICE!

ARBORTECH AS170 ALLSAW

ADVANTAGES OVER THE AS160

1. 13 amp vs. 7.5 amp, more power
2. New dust extraction system to separate the larger particles of mortar and blow them out of tool.

The AS160 is still a great tool. Thousands of them are already out there being used daily. Clearance until they're gone! The AS160 now only \$849
